Memorandum

To: All Eligible Participants

From: The Administrative Office of UFCW Local 1529 & Employers Health and Welfare Plan and Trust

This letter is to advise each eligible participant that effective 3/1/2006; **NMHC Rx** will manage your prescription drug benefits. You can expect to receive your new drug card within the first week of March 2006, so be on the look out. Once you get the new drug card from NMHC please destroy the old card.

To fill a prescription at your local pharmacy, you must present your new prescription ID card. Should you have any problems and it is during NMHC's customer service business hours the pharmacist can call NMHC at 1-800-777-0074 for assistance. For your benefit the NMHC's customer service number is printed on your prescription ID card.

NMHC's toll-free Customer Service Department hours are:

Monday-Friday	**8:00am - 11:00pm EST**
Weekends & Holidays	**9:00am – 7:00pm EST**

Included with your new ID card is a pamphlet that explains the mail order program and an order form. If you are taking a maintenance prescription drug you may find it saves you money to order a 90-day supply from the NMHC RX mail order pharmacy. This program is part of your maximum drug benefit. As an added convenience, you can place your mail order prescription via the Internet at: www.nmhcmail.com.

Wal-Mart and Sam's Club are **not** included in the UFCW Local 1529 and Employers Health and Welfare Plan Pharmacy Network. In order to find other participating pharmacies near you, feel free to log onto the NMHC website at www.nmhcrx.com or call NMHC Rx customer service at 1-800-777-0074.
